

CONSULTATION AGREEMENT

The Immigrant's Journal Legal and Educational Fund, Inc., (IJLEF) and I agree that:

1. IJLEF will charge the sum of \$50.00 or \$100.00 for consultation (advice) only.
2. Any and all information I give to IJLEF is confidential.
3. IJLEF will advise me on the following issue/problem:

4. IJLEF will only give me advice or provide a limited service such as writing a letter to USCIS or Consular Office to try to quickly resolve my problem. A limited service does not include going to Court or to USCIS or filing papers on my behalf.

5. The signing of this agreement by IJLEF does not mean that IJLEF has accepted my case for anything other than advice or a limited service in an attempt to resolve my problem. IJLEF will not represent me in any further problems unless IJLEF and I mutually agree, and IJLEF and I sign a separate and more detailed standard agreement/retainer for services.

6. I understand that either the IJLEF staff Attorney or a staff member may work on my case.

7. I understand that the advice given is only the opinion of the IJLEF staff Attorney and I realize that IJLEF has not made any guarantees about the outcome of my case.

8. I will be given a copy of this Agreement for my records if requested. If I am unhappy with the services provided, or IJLEF informs me that it is unable to represent me, I can file a written complaint to the Director of IJLEF and may seek immigration assistance elsewhere.

I attest that all the information I give to IJLEF is true to the best of my knowledge.
